Research **READYSOURCE™**

Your Personal Research Reference Desk

“The Regional Educational Laboratories (RELs) are the emissaries of sound scientific research for our schools.”

—Dr. Phoebe Cottingham
Commissioner for Education Evaluation & Regional Assistance, U.S. Department of Education

Research **READYSOURCE**™

Searching for information about technology in learning or professional development?

Need help finding research about math education or other policy issues?

Then **Research READYSOURCE**™ is for you!

Best of all, this service is **ABSOLUTELY FREE**.

Research READYSOURCE™ can help educators, administrators, and policymakers such as you find the evidenced-based research you need by:

- Conducting a search of current literature
- Directing you to Department of Education resources such as:

The What Works Clearinghouse (WWC)

The National Center for Education Statistics (NCES)

Education Resources Information Center (ERIC)

Leveraging a national laboratory of resources and libraries

A Trusted and Reliable Resource

- **Research READYSOURCE**™ is run by REL Southwest, one of 10 Regional Educational Laboratories funded by the Institute of Education Sciences, U.S. Department of Education.
- REL Southwest provides scientifically valid research through:
 - Rigorous research studies
 - Policy studies
 - Technical assistance
- **Research READYSOURCE**™ is part of the REL National Reference Desk Ask-a-REL Program, leveraging the REL Network of labs to provide the most comprehensive review and response to your request.
